# About us

At Niko International we are:

- *Textile manufacturing experts since 2008:*
  - Working with a variety of fabric and fabric blends with focus on natural fabrics and fabric dyes. We love working with all types of cotton – Tanguai, Pima, organic, as well as wool – alpaca, baby alpaca, sheep, including fabric mixes.
  - Using various techniques, from knitting to weaving and printing. A significant part of our production relies on artisans and artisanal techniques.
  - Designing and manufacturing clothing and accessories for children and adults, children's toys and home décor items.
- *Headquartered in Peru, where our production capabilities are located, but serving international clients.*
- *Committed to high quality and fair-trade practices in manufacturing, as evidenced from our memberships with the World Fair Trade Organization and NEST Artisan's Guild.*

# How to Read This Catalogue

These are samples that we have produced and can manufacture, so do reach out to us, should you wish to place an order for something you love from these pages.

We also enjoy working with our partners on bringing their designs to life, so we would be happy to hear from you to work together on something that perfectly suits your brand and your vision.

## Children's knitwear

---

Comfort and care are our priorities when we design and manufacture children's garments, that is why we rely on hypo-allergenic yarns and fabrics to bring designs to life.
