CONTEMPO

The focus of this collection is on versatile structures of a natural or architectural origin. Inspiration for this can be found in both the urban environment and nature. Because anyone who explores their surroundings with their eyes open will find a wide range of materials that become ever more fascinating over time as a result of unique signs of ageing. Metals, concrete and tiles have inspired the CONCRETE, DESERT, PATINA and RAW PLASTER designs. Fabrics and stone are interpreted in the beautiful RHAPSODY, MALACHITE and MONOLITH wallpaper patterns. The aesthetics have been enhanced in part by elegant colours which provide effect.
