#### **DIRECTOR'S NOTE**

Creativity fuels Chitty Chitty Bang Bang, a story that thrives on imagination and the belief that anything is possible. Caractacus Potts' inventive mind reminds us that creativity isn't just about making things—it's about embracing curiosity and wonder. His whimsical contraptions and, of course, the marvelous flying car symbolize freedom, innovation, and the power of dreaming beyond limits. In a world that often stifles individuality, this story dares us to think differently and embrace possibility.

At its core, this is a story about family—not just by blood, but through love, trust, and open-mindedness. The Potts family is unconventional and unique, built on acceptance and encouragement of each other's quirks. Truly Scrumptious, a strong and independent woman, enters their world as an outsider but soon becomes an essential part of their adventure, reminding us that family is something we build with those who believe in us. This theme extends beyond the story itself and into this production. The magic onstage exists because of the family we have built here—an extraordinary team of actors and creatives who have poured their hearts into every moment. They have embraced every wild idea I've thrown at them with an infectious spirit of Yes, And..., adding their own brilliance to create something even more magical, unexpected, and joyful. Their fearless creativity has made this show an epic delight, and I am endlessly grateful to be on this journey with them.

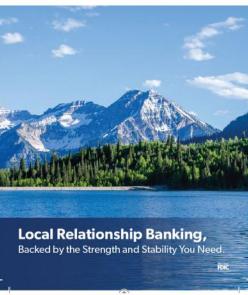

## DIRECTOR'S NOTE continued

More than ever, the themes of Chitty Chitty Bang Bang feel vital. In a time when fear and division threaten individuality, stories like this remind us that strength lies in embracing differences, standing together, and fostering a world where dreams are nurtured rather than silenced. As we invite you on this journey, I hope you leave the theater reminded of the power of imagination, the joy of collaboration, and the beauty of a world where we all have the freedom to dream, explore, and create. Buckle up, hold tight, and enjoy the ride!

## CREW BIOS

**MORGAN PARRY** (*Director*)- Morgan is so excited to be directing "Chitty Bang Bang" at The Zig! She has loved working with this perfect team and cast.

**DYLAN FLOYD PANTER** (Choreographer)- Dylan has previously choreographed Pirates of Penzance, Mary Poppins, Freaky Friday, and The Sound of Music here at the Zig. He was previously seen on this stage as Buddy (Elf), Benny (RENT), Prince Herbert (Spamalot), & Billy (Bright Star).

WENDY KNOWLES (Music Director)- I remember watching this show as a child and loving every minute of it, except when the Child Catcher came on...then I'd close my eyes and yell at the kids to stay hidden!! But the music has always been a joy to listen to and sing along with and now I get to share that joy with others. From the toe tapping "Me Ol' Bamboo" to the sweet lullaby "Hushabye Mountain" to the classic theme song "Chitty Chitty Bang Bang." I guarantee you'll be humming something as you leave the theater!

**LOGAN BOYD** (Stage Manager)- Though Logan won't be flying across the stage or singing a show-stopping number, he's the trusty engine keeping this production from veering off a cliff! With 18 years of experience working with kids in schools, camps, sports, and theater, Logan has mastered the art of keeping chaos in check (mostly). He recently discovered that adults can be fun too, though they're slightly harder to bribe with candy. This show is fast, fun, and fabulously out of control, so buckle up and enjoy the ride!

**TROY MARTELL** (*Projection Design*)- Troy is excited to return to The Zig, where he has performed in productions such as RENT, The Scarlet Pimpernel, Kinky Boots, Young Frankenstein and The Producers. Offstage, Troy has had fun as a stage manager and projection designer, contributing to the magic of many shows. He's fueled by the love and antics of his cats (Casper, Loaf, Rye, and Cheez-it), his loyal pup Archie, and his wonderful partner Josh, who keeps him grounded through all his theatrical escapades.

MARIA MENLOVE (Costume Design)- A lifelong passion for theater combined with a distinct lack of on stage talent lead Maria backstage with a sewing machine and a dream. From academy minis shows to main stage productions, Maria loves working with the incredibly talented actors and production team members at The Ziegfeld Theater & Ziegfeld Arts Academy and is so grateful to be part of this theater community!

JEFF ERICKSON (Caractacus Potts)- Jeff is thrilled to be performing for his third time at Ziegfeld. You may have also seen him on this stage portraying a jolly chimney sweep and an overgrown elf. He has performed in many venues in northern Utah and has also had the privilege of playing a movie star that enjoys dancing and singing in the rain, a wedding vocalist, and a mysterious and spooky husband/father. Jeff would like to thank the cast and crew for all their hard work and dedication and his friends and family for their support.

**RACHEL WHITE** (*Truly Scrumptious*)- Rachel is so excited to be in her first show at the Zig! Rachel has loved performing since playing Marian in The Music Man at her high school. She'd like to thank her wonderful husband and love of her life McKay for his support.

**GRANT DAVIS** (*Jeremy Potts, Chitty Cast*)- Grant is happy to be in another main stage show, and this time with his family! Being in this show has been "like, the greatest thing. Ever"

His favorite roles include Lumiere in Beauty and the Beast, Michael Banks in Mary Poppins and Sietz in Newsies. He sure comes alive up on stage and loves performing for people. He also enjoys playing the ukulele, being active and being with his family.

BROOKLYN HEAD (Jemima Potts, Chitty Cast)- Brooklyn has been singing and performing ever since she could talk. At age 5, she was in her first play. She was recently on the Main Stage at Ziegfeld in Annie as the orphan, Duffy. She has also been in Frozen Jr. (Olaf), Seussical Jr. (Young Kangaroo), Newsies Jr. (Spot Conlon), and Beauty & The Beast Jr. (Ensemble). She'll be on stage next as Alice in Alice in Wonderland in May. Brooklyn is very thankful for all those that support her and come see her doing what she loves.

HAYDEN VISSER (Jemima Potts, Scrumptious Cast)- My name is Hayden Visser, I've loved singing since I was a little girl. This is my 8th show at the Zig, and my 9th show overall. My favorite roles were Jane Banks (Mary Poppins) and Anna (Frozen). I love doing theater with all my friends and can't wait to do more shows.

**TIM BEHUNIN** (*Grandpa Potts*)- This is Tim's 31st production at the Ziegfeld and his 50th year of performing. He's getting better at it, and he's glad to still be getting cast. After the show, please take a moment and tell Caleb you'd love to see the Ziegfeld do Death of a Salesman.

MAGGIE GADD (Baroness Bomburst/ Miss Phillips/ Violet/ Music Capt.)- Maggie has been performing on the stage all her life, being compared to Broadway veterans and recognized for her "beautiful and timeless" voice. She thanks her loved ones for supporting and encouraging her to continue performing while pursuing a Master's degree and working full time. "Thank you for teaching me it's important to hold fast to what makes you happy, do what you love, and chase what you deserve."

HAYDEN HÖGLUND (Baron Bomburst/ Lord Scrumptious/ Sid)- Hailed as having a voice "like triple-chocolate brownie batter: rich and easy," and as being a "truly... talented musician and performer," Höglund is properly chuffed to embody the bombastic Baron Bomburst, and to perform alongside his real-life true love, Maggie. He has been seen in many comedic roles, including Falke (Die Fledermaus), Pirelli (Sweeney Todd), Gaston (Beauty and the Beast), Mr. Sowerberry (Oliver!), and Betto di Signa (Gianni Schicchi). He's currently preparing for the biggest comedic role of his life to date: the eponymous knight in Falstaff. Höglund is currently working on building a voice studio herein Ogden, and is performing in various Utah Symphony/Utah Opera productions.

**SYDNEY McALISTER** (*Boris*)- Sydney is thrilled to be part of this incredibly fun show, especially playing alongside her amazing and talented fiancé, Alma! Some of her favorite Zig credits include Beauty and the Beast in ASL (Belle), Grease (Sandy), and Freaky Friday (Ellie). MATTHEW THOMAS (The Toymaker)- This is Matthew's 3rd show at The Zig. To be honest, Matthew has never heard of this show before, but when he found out he would work with familiar peers and peers he's wanted to work with, Matthew jumped at the opportunity! You may have seen his work on stage before in Beauty and The Beast in ASL and, most recently, The Producers. Matthew would like to thank his friends and family for their continued support.

ASPEN LARKIN (Coggins/ Ensemble)- From backstage to being on stage Aspen has done it all. She is so excited to be a part of her first show at Ziegfeld. She has been able to play fun roles like Belle (Beauty and the Beast), Enjolras (Les Misérables), Mrs. Banks (Mary Poppins), Amy March (Little Women), Ariel (The Little Mermaid), Clopin (The Hunchback of Notre Dame), and the Witch (Into the Woods). She loves being able to meet new people and be a different person on stage.

JACK MERGENS (Ensemble/ Goran Understudy)- Jack was last seen on the Ziegfeld stage in Mary Poppins. Jack has been involved in theatre since he was a child. Through a variety of roles at a variety of theaters Jack was able to enjoy such roles as an Angel (Kinky Boots), and Ensemble (Bright Star). He spent years inspiring others to grow in their theatre passions as he held different positions in the drama club at Jordan High School. Jack hopes to continue doing theatre throughout his life and hopes you enjoy the show.

PAIGE ANDREASEN (Ensemble/ Dance Capt.)- After making her Ziegfeld debut in "Annie" this past winter, Paige has decided to continue doing what she loves with the best people. Paige grew up dancing at Eminence Dance Company and has fallen in love with the musical theatre community since graduating.
