KUBOTA PHILOSOPHY

Asahi-Shuzo Sake Brewing Co., Ltd. was founded in 1830. Originally known by the trade name "Kubota-ya," the company introduced the sake brand KUBOTA in May 1985, reviving its historic name. Since then, KUBOTA has become one of Japan's leading examples of Tanrei Karakuchi—a crisp, clean, and dry style of sake. Through changing times, the spirit of Tanrei Karakuchi has remained at the heart of KUBOTA. With its smooth texture, balanced flavor, and delicate aroma, KUBOTA continues to embody elegance and refinement while pursuing ever higher quality.
