

The background is a solid light purple color. A large, thin, golden-yellow circle is centered in the upper half of the image. In the center of this circle is a dark brown rectangular box containing the text 'SOFITEL' in large, white, serif capital letters, and 'KUALA LUMPUR DAMANSARA' in smaller, white, sans-serif capital letters below it. Below the box, the title 'Symphony Of The Moon:' is written in a large, black, serif font. Underneath the title is the tagline 'Two Boxes. One Moon. Infinite Ways to Delight.' in a smaller, italicized, black, serif font. The bottom half of the image is decorated with several stylized, golden-yellow line drawings of lotus flowers and leaves. In the bottom right corner, there is a small, solid yellow silhouette of a dog standing on its hind legs, looking up towards the center of the image.
