ABOUT ME:

Hello, Im Carla. My husband Scott and I have been working on creating this venue for the last 7 years, and have created our garden venue from a hay field. It has been a dream in our hearts to create a beautiful experience that is elegant, casual, and memorable.

Scott and I love to travel and find quaint places to visit for day trips or longer stays. We will often drive up to 3 hours to go find the best pizza place and our kids have grown accustomed to jumping in the car on a moments notice for the journey. I love design and seek out inspiration everywhere we go. We feel blessed to have been able to create a quaint setting for our guests to enjoy. We hope you can feel the warmth and love that has been poured into this place and we will continue to improve as we learn new things and grow.

A: We are not outfitted with a commercial kitchen, so you may not cook food in the kitchen. You may heat up pre made food or appetizers for the bridal party while you are getting ready.

A: Licensed food trucks are permitted.
