WELCOME PLAYERS, FANS & UMPIRES to the 2025 North American Championships/ Tournament of Champions of the National Softball Federation!

We appreciate your participation in our 14th annual event and trust your experience will be an enjoyable one!

The NSF Staff and Cambridge-Isanti Area Softball Association have been hard at work to ensure a successful event, one where regional teams can participate without spending as much money on travel and investing huge amounts of time versus other national tournaments. We've taken every precaution to make sure health and safety are at the forefront, while still providing a fun and memorable event for all!

Please help us continue to promote our five state concept by spreading the word on the Tournament of Champions/North American Championships to other competitive teams in the five state area and Canada.

The fact our entry fee is lower and we guarantee teams more games than other existing national organizations is a big plus. Also, our tournament hosts have fewer expenses and thus a better chance to raise funds for their local association to reinvest in the game of softball. Please support the concessions stand and memorabilia booth.

We would also like to congratulate the men and women in blue who have been selected to umpire the **14th Anniversary NSF Tournament of Champions/North American Championships.** Please respect their dedication, hard work and professionalism, even if you don't always agree with a call.

In closing, we would like to reiterate the desire to attract more teams from the five state area and Canada in the future and invite you to participate in that effort! Good luck, have fun, stay safe, and enjoy the great game of softball!

Dear 2025 North American Championship Participants,

Welcome to the City of Cambridge!

We trust that you will enjoy your games, good sportsmanship, and the fields at Sandquist Family Park while playing here this weekend. Sandquist Family Park is truly Cambridge's own "field of dreams". The City is very proud to have these high-quality fields available for leagues and tournaments due to the dedication shown by the Cambridge-Isanti Softball Association, the Sandquist Family, and the City's public works department.

Cambridge has a wide variety of retail, restaurants, and recreational facilities such as City Park for picnics, fishing in the Rum River, or the Cambridge-Isanti Bike Walk Trail. I encourage you to have a meal downtown at Cambridge Bar & Grill, People's Cafe, Pizza Pub, Pizza Hut, Sidelines, Taco Johns, Chapala's, or Leader restaurant. Cambridge is also home to several big box retailers such as Target, Walmart, Fleet Farm, and Menards. We hope you will visit them while you are here.

For more detailed information Please visit the City's website at www.ci.cambridge.mn.us for maps, services, and insight into our wonderful community. We wish you the best of luck in your tournament and hope that you will plan to return to Cambridge again very soon.

Sincerely

James A. Godfrey, Mayor
