

# Expand FlagStand XL & Expand FlagStand XXL

expand<sup>®</sup>

**Outdoor Events  
Display Solutions**

---

**Portable &  
Customizable**

Make your message seen with an impressive extra tall flag. This branded flag solution is extremely stable and yet portable with its telescopic pole function, making it possible to change the height up to 18 feet. The flag has very few loose parts, which allows for simple transportation and makes the product fast to set up.

*(Sand Required, Not Provided)*

Skirt (optional)

Graphic Rings

Telescopic pole

Nylon bag

# FABRIC GRAPHIC

- **Seamless Appearance:** Single fabric with double-sided print avoids visible seams for a cleaner look.
- **Consistent Thickness:** preserving flexibility and drape.
- **Enhanced Durability:** No stitched seams reduce vulnerability to wear and tear over time.
- **Cost Efficiency**
- **Lightweight**
- **Simplified Care:** Easier maintenance with no need for special attention to stitched seams

VS

- **Seam Visibility:** impacting aesthetics.
- **Thickness:** additional fabric layer increases thickness, affecting flexibility.
- **Durability:** Stitched seam is prone to wear and tear over time.
- **Cost:** Stitching process is labor-intensive, increasing production costs.
- **Weight:** Stitching adds weight to the fabric, less flexibility
- **Complex Care:** Washing and maintaining may require more attention to preserve both sides.
