Before applying online, a candidate will be required to have a scanned (digital) image of

- his/her photograph
- signature
- left thumb impression
- handwritten declaration and
- Certificate regarding physical limitation in an examinee to write- Appendix - I (if applicable)

Please note that until photographs and signature are as per the specifications provided, the system will not allow the candidate to move forward to the next stage of application.

Photograph Image: (4.5cm x 3.5cm)

- Photograph must be a recent passport style colour picture.
- Make sure that the picture is in colour, taken against a light-coloured, preferably white, background. Look straight at the camera with a relaxed face
- If the picture is taken on a sunny day, have the sun behind you, or place yourself in the shade, so that you are not squinting and there are no harsh shadows
- If you have to use flash, ensure there's no "red eye"
- If you wear glasses make sure that there are no reflections, and your eyes can be clearly seen.
- Caps, hats and dark glasses are not acceptable. Religious headwear is allowed but it must not cover your face.
- Dimensions 200 x 230 pixels (preferred)
- Size of file should be between 20kb–50 kb
- Ensure that the size of the scanned image is not more than 50kb. If the size of the file is more than 50 kb, then adjust the settings of the scanner such as the DPI resolution, no. of colours etc., during the process of scanning.
- Photo uploaded should be of appropriate size and clearly visible.

Photograph Capture

- In addition to the above photograph, candidates will also be required to capture and upload their live photograph either by using webcam or mobile phone.
- On selecting "Capture Photo" option, candidates' webcam will be activated allowing them to click their picture, which will get auto uploaded in the application form.
- On selecting "Click here to Scan" option, candidates can use their mobile phone to scan the QR code, which will redirect to a website, allowing to click photograph on their mobile phone. On selecting the taken picture, photograph will get auto uploaded in the application form.

Do's and Don'ts of Photo Capture

Do's:

Ensure the photo is captured against a light coloured, preferably white background and there is adequate light.

- Look straight at the webcam/ camera.
