# TREASURE EVERY MOMENT

We all want to treasure every moment, but it's something that our busy, daily lives make this more of a dream rather than a reality. That's why The Islands of Tahiti offer something so unique. Whether you come for adventure, romance, or relaxation, you will discover that the spirit of Mana that flows through our land, sea, culture, and people will help you treasure every moment.

---

## EACH DAY IS MORE MAGICAL THAN THE NEXT

There are so many ways to Treasure Every Moment in The Islands of Tahiti. You can feel secluded, welcomed, and exhilarated everywhere, from a picture-perfect beach walk to a stunning mountain hike or mesmerizing reef dive. Whatever you come for, you will leave feeling like you have always longed to feel.

## TREASURE EVERY MOMENT BY EMBRACING MANA

Mana is the heart of the Polynesian universe. It's the life force and spirit that flows through everything, it arises from the life, love, sharing, beauty, goodness and things that merge harmoniously in our universe. It is the reason you will feel treasured in The Islands of Tahiti.

# EMBRACED BY **MANA**

# TAHITI CULTURE

Strength, power, influence, supremacy, greatness, sovereignty, omnipotence, prestige, control, genius, authority, superiority, nobility, stature, presence, elegance, beauty ... the list goes on and on. These words define the Mana in a precise situation, a particular context, from a specific point of view. Mana is a mythical and essential concept in Tahiti culture, a fundamental truth. It's both tangible and intangible, expressive yet imperceptible, revealing but enigmatic, so natural but also mysterious and esoteric.

## THE TRADITION OF POLYNESIAN TATTOOS

The word tatau originated in The Islands of Tahiti, and the symbols have meaning and the meaning tells the story of each Tahitian's personal history. In each line drawn on the body, the ma'ohi of the past is connected to the Mana of the present and future. Tahitian people believe in the presence of Tohu, the god of tatau, who painted all the oceans' fish in their colors and patterns, gives each tatau an essence of meaning and life. A link between heaven and earth. Polynesian tattoos are also signs of beauty, and in earlier times were an important part of life as they signaled the end of adolescence.

## TAHITIAN MUSIC & SONG

When the missionaries came to Tahiti, they tried to suppress the powerful, life-affirming and sensual sounds and movements that embody Polynesian music and Tahitian dance. In the dance and rhythms, Tahitians give voice to their Mana, allowing it to rise from the sea, descend from the hills, and emanate from the soul of every Polynesian man and woman who falls under its mesmerizing spell

# takeoff to **TETIAROA**

Tetiaroa will always have a special place in the heart of anyone who visits. This coral island in the heart of the Society Islands is a veritable haven of peace for birdlife, sea turtles, and all sorts of marine life. An island paradise for lovers of nature in a stunningly beautiful setting. Just a few minutes from Papeete by plane, Tetiaroa is one of the jewels of French Polynesia. The atoll is just over three square miles and is composed of 13 *motu*. It is an important bird

sanctuary where several species come to lay their eggs and nurture their young. The soft white sandy beaches and crystal clear water in the lagoon rival even the most splendid atolls in the Tuamotu Islands. Soft white sandy beaches, crystal clear water and breathtakingly beautiful natural surroundings make Tetiaroa the perfect place to unwind. The island is also an important reproduction site for birds and sea turtles.

# takeoff to PAPEETE

Lofty mountains for hiking, the sea and the lagoon for swimming, museums to visit, international and local cuisine, and festivities throughout the year.

Most of the island's inhabitants live on the coast, leaving the interior almost intact and authentic, despite the busy capital never being very far away. Papeete, which means 'water basket' in Tahitian, is the cornerstone of this island nation.

It is a modern city with world-class hotels, gastronomic restaurants, nightclubs, a lively, colorful market, museums, and shops, including pearl boutiques, of course.

Fishing trips and motu excursions which include a picnic on the beach, are also very popular. And there are several pearl farms you can visit to learn about the creation of these magnificent jewels. Life goes by at a gentle pace in Taha'a. It is a tranquil island with luxuriant and preserved vegetation, which can be explored on hikes.
