Care 24-7: Experts in Wrap Around Care

Since 2001, Care 24-7 has been dedicated to helping people live happier, healthier lives in the comfort of their own homes. Our Comfort Plan builds on this experience, providing a unique blend of personalised care and innovative technology to support your well-being.

We understand that remaining at home means everything to you. That's why we offer a range of services tailored to your needs, from assistance with daily living activities to social outings that keep you connected to your community. With our Comfort Plan, you can enjoy the comfort and familiarity of your own home while receiving the support you need to live your life to the fullest.

Our dedicated team is committed to providing care that promotes your health, safety, and well-being, while respecting your dignity, privacy, and individual needs. We work hard to ensure we have the right people with the right skills and knowledge with you, right when you need us.

Care 24-7 is a registered domiciliary care provider with the Care Quality Commission. Their role is to make sure that we provide a safe, caring, responsive, effective and well-led service.

We are the 1st UK company to be affiliated with the Contented Dementia Trust.

We are full members of the Homecare Association.

Introducing the Comfort Plan

Our Comfort Plan goes above and beyond traditional home care. We offer you a personalised in-person care and support package including assistive technology from Isaac Care. Isaac Care Connect Fall Alarm Watch with GPS location capability and an easy-to-use phone app, offering you an extra layer of wellbeing and safety, both at home and out and about. This enables you to live independently and go about your daily activities.

Experience bespoke care in the comfort of your own home with Care 24-7. We understand that everyone's needs are different, which is why our skilled and compassionate team provides a wide range of personalised services. From companionship and personal care to 24-hour nursing support, we'll always take time to listen to you and your story, learning about what matters to you most. This way we can ensure you receive the right care, from the right people, in the right place: your home.

The Comfort Plan

The 6 Cs of caring are a set of values that guide how quality care is delivered in the UK.

"The 6 Cs of Care are not just words to us, they're the foundation of our approach at Care 24-7. They ensure that every person we support receives the highest standard of compassionate care with a friendly face."

Jean Pickles, Senior Manager • Care 24-7

Nothing Stays the Same

As life changes, so do your needs. Care 24-7 adapts with you, providing flexible, responsive care every step of the way.

Returning Home from Hospital?

We'll help you settle back in with support for medication, daily tasks, and emotional well-being.

Facing New Challenges?

Whether it's a change in health or needing extra help, we're here to support your independence.

Navigating End-of-Life Care?

We provide compassionate palliative care, allowing you to stay comfortably at home.

Living with Dementia?

We use the SPECAL[®] method, a proven approach that reduces anxiety and enhances quality of life.

At Care 24-7, your care evolves with you.
