Meeting Jesus changes people, it always has.

What would Jesus say to you right now? To you—with everything you're carrying, all the questions, the mess and in the beauty of it all. This Lent is an invitation to stop, listen, and discover what the Living Christ might want to say to you today. Because he's already leaning in, waiting for the conversation to begin.

Join us for Dinner Church!

Some of life's best moments are shared around a dinner table: celebrations, connections, storytelling, sharing our day, being together (and of course delicious food).

Let's experience this joy together! Join us this Lent for dinner church, where we do what Jesus did – gather and eat with people.

Dinner Church is a meal-based midweek worship service that includes music, Bible storytelling, table conversations, prayer, Holy Communion, and food! It's participatory, interactive, and designed for all ages to come together. Invite a friend or neighbor to join you!

PROMISE FOR HAITI

The Health Partners Program

Promise for Haiti exists to demonstrate the love of Christ by partnering with and investing in local Haitian leaders to provide the best healthcare and education in Haiti. Promise for Haiti supports healthcare in Pignon through the Health Partners Program. Here's how the program works:

First, staff member John Robert identifies families according to financial need. Doctors provide tests, medication, surgeries, and hospitalization as needed for both preventative and urgent healthcare. Then the invoice is forwarded to Promise for Haiti and paid out of the Health Partners fund. In partnership, Our Savior's sponsors ten Haitian families.

"I thank God for the health partners people, sponsors, donors, and everyone that God uses to keep the program in lives."

- Ilorienne Formilus

HOW WE CAN HELP

We feel blessed to partner with this amazing organization. Our support truly transforms lives in Haiti. One of the best ways we can support this organization is through our wine tasting fundraiser. At last year's fundraiser, we raised \$10,000 to support 10 families that would otherwise lack access to healthcare in Haiti.

We'd love it if you came to this year's fundraiser, "Taste of Generosity". To purchase a ticket, see the QR code on the following page. A ticket gives you access to a variety of delightful wines, and proceeds support Haitian families through the Health Partners program. Hope to see you there!
