# WELCOME

Welcome to the May / June edition of Headlines! The sun has finally arrived, bringing with it the desire for long, refreshing, fruit-forward cocktails that can be enjoyed by the glass or pitcher in your customers' favourite beer gardens and outdoor venues! Even if your establishment focuses on creating an indoor ambiance, it's time to explore lighter, brighter flavours that evoke those sunny, vacation vibes! With Cinco de Mayo approaching this month, we thought it fitting to highlight the El Sueno Tequila range and suggest five fantastic ways to elevate your Margaritas and Palomas this season! If you prefer to stick with non-alcoholic options, rest assured we have excellent deals on your favourite soft drinks, and our team is always available to recommend non-alcoholic choices for your customers to enjoy this May and June!

In the Beer & Cider segment, we are excited to present our newly launched collection of Bag-in-Box ciders from PULP! These ciders boast vibrant, fresh flavours that are ideal for the summer months, designed to deliver a refreshing experience with a perfect blend of robust taste and a smooth finish. Prepare to enjoy, share, and relish the essence of summer with every pour!

Rat Brewery has revealed its striking new branding, signalling an exciting new phase in its evolution. Alongside this refreshed identity, we are pleased to announce the addition of a new craft beer on tap, which will complement the widely loved White Rat cask.

In the world of wine, we are pleased to present excellent offers on every day, fruit forward drinking wines from the Jack Rabbit and Tempus Two collections. Both brands are highly accessible and have mass appeal. During challenging times, promotions like these are particularly beneficial. Additionally, we invite you to explore the newly introduced 'Funkstille' duo from Austria. The term Funkstille translates to radio silence, and in a world filled with chaos, it is refreshing to pause and enjoy a glass of something special and unique.

Furthermore, we have recently updated our coffee selection with a new blend from our partners, Stewarts of Trent, named 'Escape'. This blend boasts a more robust and richer flavour, complementing the smoother, everyday 'Sunset' blend. If you are in need of a coffee resource, we encourage you to consider Stewarts, renowned for their local roasting expertise. This latest edition of Headlines holds much promise, so take your time to discover products that can significantly enhance your business this Spring.

Best regards from the team at Libra Drinks!

## MIX UP YOUR MARGARITA WITH EL SUEÑO TEQUILA

**The Margarita- One of the nation's, if not the world's favourite cocktails. The cocktail's origins are still disputed today, but the most common story is that a Tijuana bartender by the name of Carlos "Danny" Herrera, created the drink for a customer who cited an 'allergy to all spirits other than tequila!' A quick combination of Blanco Tequila, Lime, Triple Sec and salt later, and the iconic drink was created!**

Twists on the Margarita aren't a new concept when it comes to changing up your cocktail offering. Whether it's the Tommy's Margarita (Served on the rocks with Agave replacing Triple Sec) or the Spicy Margarita (Introducing chilli in a variety of formats or perhaps the addition of Mezcal to add a smoky, earthy twist), it's a brilliant recipe template to explore new flavours and additions.

So, where do you begin if you yourself want to explore personalising the Margarita's on your cocktail menu? We believe El Sueño Tequila is a great place to start!

Made at Casa Maestri distillery – a fifth generation, family-run operation in Jalisco, El Sueño was founded by drink veterans Paul Hayes and Nav Grewal when. Having worked with agave for more than 16 years in Mexico, they wanted to show that you could make a good quality Mixto Tequila at an affordable price. El Sueño uses fully matured, lowland and highland agave, which is cooked in traditional clay ovens and autoclaves. It's then mixed with other high quality fermentable sugars to make a smooth, versatile tequila. But what is 'Mixto' Tequila? Joe Wild, Head of Advocacy for El Sueño, gave us some clarity now that Tequila is quickly becoming one of the nation's favourite spirits!

"The first reason for choosing to make an exceptional Mixto Tequila is for sustainability. As tequila demand grows exponentially in popularity, it does increase the pressure that agave farmers face. We knew that if we were going to produce a Mixto Tequila, it would have to be the best in the world.

A Mixto Tequila is a combination of Weber Blue Agave and other non-agave ingredients. We pride ourselves on using 70% fully matured Weber Blue Agave and 30% Piloncillo sugar to not only create an affordable, versatile tequila, but one that is also sustainably conscious".

What really sets El Sueno apart from other Tequila brands however, is the diverse range of flavours available in their Tequila Liqueurs. Whether it's the Watermelon, Grapefruit, Lime or Coffee variants that sit alongside their Blanco and Gold Tequila's, El Sueno has a flavour for everyone and offers accessibility to all of their customers, something that Wild is proud to offer.

"Accessible ingredients are a cornerstone of any cocktail bar for a few simple reasons. Consistency of product and experience for your guests, the cost-effective nature of using a pre-prepared products and the quality of product that is achievable from wholesalers today. Bars can present high quality cocktails without needing to spend hours learning how to infuse or create liqueurs".

To help you explore this incredible range of Tequilas, we've written 5 twists on the classic Margarita that you can try for yourself! Be it for a Cinco de Mayo event, a beer garden specials menu or just to shake up your cocktail offering, we're sure there's something here that you'll enjoy! Salud!

## Recipes

### Classic Paloma

50ml El Sueno Blanco Tequila, 12.5ml Lime Juice  
Top with Franklin's Pink Grapefruit Soda  
Build the cocktail over ice in a tall glass and garnish with a grapefruit slice. A classic Tequila highball for those that want to try something different to their classic Margarita!

### Lime & Jalapeno Margarita

50ml El Sueno Mexican Lime Tequila Liqueur, 25ml Lime Juice, 20ml Agave Nectar, 4 Slices of Jalapeno Chilli. Muddle the Jalapeno into the Agave Nectar and Lime Juice at the bottom of a shaking tin. Add your tequila, shake, strain into a rocks glass filled with ice and rimmed with salt. Garnish with a Jalapeno slice. A great take on the Spicy Margarita!

### Watermelon Tequila Spritz

50ml El Sueno Watermelon Tequila Liqueur, 10ml Agave Nectar, 25ml Soda, 75ml Prosecco.  
Add all the ingredients into a wine glass with ice. Give it a gentle stir and garnish with a sprig of mint. Super refreshing and perfect for summer!

### Grapefruit & Basil Margarita

50ml El Sueno Grapefruit Tequila Liqueur, 25ml Lime Juice, 15ml Triple Sec Liqueur, 5 Basil Leaves.  
Add all the ingredients into a shaker and shake well. Fine strain into a salt rimmed coupe glass and float a leaf of Basil on top to Garnish. Bracing, herbaceous and zesty!

### Jalisco Espresso Martini

50ml El Sueno Coffee Tequila Liqueur, 15ml Vanilla Syrup, Double Espresso 1 Lime Wedge.  
Add all the ingredients to a shaker and shake. We know, the lime may sound strange, but trust us!

The Williams Grove wines are made by winemaker Estefania Aparicio Sanchez in the heart of the Spanish wine world, Castilla-La Mancha, southeast of Madrid. The warm, windswept plains produce succulent, fruity styles, perfect to enjoy on any occasion.

### Zesty White

The windswept plains of La Mancha give our Williams Grove winemakers the best Airen and Macabeo grapes which, although not so easy to pronounce, are super easy on the palate. Bristling with bright apple, pear, lemon and lime hints, this white is the perfect all-rounder.

**Varietal:** 75% Airen, 25% Macabeo

**ABV:** 10.5%

**Vegan:** Yes

### Dry Fruity Rosé

Crammed with succulent raspberry and melon flavours, our Williams Grove rosé is sure to please. The grape is called Garnacha in Spain, elsewhere it's Grenache, but what's in a name anyway? This wine is simply delicious.

**Varietal:** Grenache

**ABV:** 12%

**Vegan:** Yes

### Smooth Red

Everything about Williams Grove red has been built with flavour and versatility in mind. Combining jammy Tempranillo with spicy Cabernet gives a chorus of forthright, fruity notes.

**ABV:** 12%

**Vegan:** Yes

All wines are packed in cases of 24x187ml, with a shelf life of 12 months from fill.
