CREATING VERSATILE ICONS FOR A #BETTERWARDROBE

MONOMINIMAL TRANSITION SS26

Introducing WITHBLACK's latest transition collection for SS26: Monominimal.

This collection redefines sophisticated minimalism with a curated palette of blacks, whites, and greys, elevated by bold leopard prints, denim blues, soft horizon shades, sky whites, pearl whites, nudes, lavender blushes, and blackberry accents. All colors are brought to life through innovative fabrics, creating fresh textures and luxurious finishes.

Silhouettes vary from fluid and oversized to sleek and more 60's-inspired elegance, offering versatile shapes that suit every mood and occasion. Designed to embrace the start of spring, *Monominimal* is both practical and adaptable, built to handle seasonal fluctuations and changing weather. Inspired by workwear, sportswear, and modern tailoring, it highlights high-quality fabrics and authentic craftsmanship.

Every detail underscores our commitment to excellence, delivering a collection that effortlessly adapts to the ever-changing climate—like four seasons in one day—and the diverse needs of today's modern wardrobe.

Much Love
WITHBLACK
