UCLA Alumni

Dear UCLA Alumni and Friends,

Join us on a unique summertime expedition through the remote waterways of Alaska's Inside Passage aboard the 76-guest *Chichagof Dream*. While exploring some of nature's more secluded landscapes, encounter Alaska's abundant wildlife, breathtaking scenery, and ice-blue glaciers of unfathomable proportions.

Alongside expert naturalists and knowledgeable on-board crew, navigate narrow channels and remote coves inaccessible by larger vessels. Witness enormous whales breaching next to your boat, bears hunting along the shoreline, and eagles soaring overhead—all thrilling performances of nature's amazing show.

This program also offers an optional pre-tour to Denali National Park—home to Denali, the highest mountain in North America. Ride the Alaska Railroad, stay at a hilltop lodge just north of the park entrance, and explore this vast and stunningly beautiful wilderness, recognizing why it's become one of our nation's most breathtaking conservation areas.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly.

Sincerely,

Christel Aragon

Featuring Professor Paul Barber

Paul Barber is a professor of Ecology and Evolutionary Biology at UCLA. He studied Ecology and Evolutionary Biology and Music at his home town University of Arizona, and then earned his PhD from UC Berkeley in 1998. Paul spent 3 years at Harvard as an NSF Minority Postdoctoral Fellow before joining the faculty at Boston University in 2002 and then UCLA in 2008. Paul's research program integrates genetics, genomics, ecology, and oceanography to understand the evolution of marine biodiversity, and uses this information to promote marine conservation. The majority of this research is done in the context of education programs like The Diversity

Project, a program focused on increasing participation of underrepresented minorities in marine science. Paul's integration of research and education and passion for mentoring diversity in science has been recognized by numerous awards, including the U.S. Presidential Early Career Award for Science and Engineering, the UCLA Distinguished Teaching award, the UCLA Diversity Equity and Inclusion Award, UCLA Gold Shield Prize, and the SACNAS Distinguished Student Mentor Award. In 2017 he was named an HHMI Professor.

What Guests Are Saying...

THIS WAS AN AWESOME TRIP! That was my overall impression. I think you can tell by my former comments how much we enjoyed this voyage. It was on both of our bucket lists. We could not have checked it off with a better experience than on this cruise. THANKS FOR A WONDERFUL LIFE EXPERIENCE!!

~Helen & Romero L., Yorktown Heights, NY

This was a trip that will resonate with me for years to come. I have nearly 1000 photos to remember it by, and extensive notes in a little red journal. I enjoyed the people I met, both on the tour and on the ship. I saw things and experienced things that I doubt I'll ever forget. When people find out I went to Alaska, they are made of questions, and inevitably the name Orbridge comes up. The highlights were all of the scenery; the wildlife; and the glaciers.
