# June Guide Update:

*For the month of June, we will not be releasing our regular Hoosiers Rise Activist Almanac.*

*Instead, we'll be dedicating our full time, energy, and attention to creating our mini guides. Including special mini guides centered around Pride Month and Juneteenth, two moments that deserve focused care, celebration, intention, and amplification.*

*To make those guides as meaningful and impactful as possible, we've made the decision to pause the Almanac for June.*

*As always, our website tools, statewide database, calendar, map, and the sheet will remain updated with events across Indiana, and all resources will continue to be free and free to share always.*
