STORMWATER POLLUTION PREVENTION

Stormwater is the rain water that passes over city streets, roofs, and driveways picking up pollutants contained in litter, fertilizer, tires, and many other everyday objects. La Verne's storm water flows to gutters and catch basins, eventually making its way to water bodies like Puddingstone and/or the Pacific Ocean. The storm water then pollutes the surface water, making it less suitable for wildlife, fishing and recreation. As one of the largest developed areas in the United States, Los Angeles County cities are being held to a very high standard when it comes to surface water pollution. The passage of Los Angeles Region Water Quality Control Board Order No. R4-2021-0105 means that preventing pollutants from entering into our water bodies is a responsibility required of LA County cities, like La Verne.

WHO'S RESPONSIBLE FOR MINIMIZING STORMWATER POLLUTION?

All of us!

HOW?

By following these tips, everyone can help improve water quality within our communities.

- Place pet waste, cigarette butts and other trash in the appropriate receptacles to keep it from entering the ocean.
- Walk, bike, skateboard or utilize other human powered modes of transportation for nearby trips. This will help reduce the amount of metals and chemicals falling onto the road.
- Reduce fertilizer and pesticide use, especially within 48 hours of rainfall.
- When washing your car at home, don't wash the soapy or dirty water into the gutter.

Water Saving Tips

1. Water your lawn only when it needs it. Step on your grass... if it springs back when you lift your foot, it doesn't need water. So set your sprinklers for less frequent watering... **saves 750 to 1,500 gallons a month.** Better yet, in times of drought, water with a hose.
2. Fix all plumbing and irrigation leaks... **saves about 20 gallons a day** for each leak stopped.
3. Don't run the hose while washing your car... use a bucket of water and a quick hose rinse at the end... **saves 150 gallons each time.** That's a significant amount of water if you wash your cars frequently.
4. Run only full loads in the washing machine and dishwasher... **saves 300 to 800 gallons a month.**
5. Use a broom instead of a hose to clean driveways and sidewalks... **saves 150 gallons or more each time.** At once a week, that's more than 600 gallons a month.
6. Don't water the sidewalks, driveway, street, or the side of your house. Adjust sprinklers so the water lands on your lawn or garden – where it belongs... **saves 500 gallons a month.**

7. Put a layer of mulch around trees and plants. Shredded leaves/bark, peat moss or gravel slows down evaporation... **saves 750 to 1,500 gallons a month.**
8. If you have a pool, use a cover to cut down on evaporation... it will also keep the pool cleaner... **saves 1,000 gallons a month.**
9. Water during the cool parts of the day. Early mornings are better than evenings since it will help prevent fungus and mildew growth... **saves 300 gallons a month.**
10. Take your car to a car wash if you can... generally, most car washes filter and recycle a high percentage of the wash/rinse water which is very resource efficient.

Business Assistance for Crime Reduction (BACR)

The La Verne Police Department is at the forefront of establishing the innovative Business Assistance for Crime Reduction (BACR) initiative, focusing on businesses susceptible to burglaries and other related property crimes.

The BACR initiative is strategically designed to bolster security through partnerships, the application of environmental design principles, the integration of cutting-edge technology, and fostering community collaboration. This initiative emerges as a direct countermeasure to the escalating incidents of “smash and grabs” affecting retail establishments along major travel routes in California. Through a blend of educational, preventative, and cooperative strategies, the BACR initiative is set to significantly uplift the security framework for businesses, thereby fostering a safer and more secure community environment.

More information about the BACR program and upcoming events will be posted on the City website. For more information, contact us at bacr@lvpd.org.

MONDAY - FRIDAY • 12:00 - 1:00 PM
JUNE 10 - AUGUST 16
LAS FLORES PARK

The City of La Verne's Youth and Family Action Committee, local churches, associations, and community members are once again sponsoring a free summer lunch program for the community's youth at Las Flores Park. During the school year, eligible students receive free or reduced cost lunches. However, once the school year ends, there is no longer a lunch program provided. Members of the Youth and Family Action Committee created the free summer lunch program to fill that gap.

The City of La Verne Youth and Family Action Committee is a formal committee of the City, comprised of representatives from private agencies, non-profit organizations, La Verne Police Department, Bonita Unified School District, City staff, and many interested citizens.

With the committee's focal point on addressing challenges that confront our youth before growing into greater concerns, we are constantly made aware of new trends. On the premise that knowledge is power, the committee has created the "YFAC Word" as a way to inform parents so they too can be aware of these potential issues.

HUNGER PROGRAM

The Pomona Inland Valley Council of Churches serves the twelve cities of the Pomona Valley. PIVCC is comprised of member churches working together with local businesses and volunteers to meet the needs of those less fortunate in our area. PIVCC operates three hunger sites (San Dimas, Pomona, and Ontario), which include a homeless shelter and a transitional housing program. **For more information, please phone (909) 622-3806.** PIVCC assists all people regardless of race, ethnicity, or religious affiliation.

You have the right to live in any neighborhood you choose. If you suspect unfair housing practices, contact HUD or your local Fair Housing Center, a non-profit organization contracted by the City of La Verne to provide free services to residents Monday through Friday 8:00 AM to 5:00 PM at (310) 901-0808 or (800) 446-FAIR.
