At Girl Scouts of Utah (GSU), we provide girls with a supportive environment where they can discover their strengths, take on new challenges, and develop leadership skills that'll last a lifetime.

Serving youth and adult members across Utah and West Wendover, Nevada, GSU offers a variety of programs—all designed to help girls grow into strong, capable leaders in their communities.

With three service centers, two retail shops, and two camp properties, we are committed to providing exceptional experiences that encourage Girl Scouts to explore their passions, embrace adventure, and create meaningful connections.

Our council is divided into service units based on location, with each identified via a three-digit code and name. The service unit team is an essential support system for their area.

## Using Your Activity Credits

Activity Credits earned through the Girl Scout Cookie Program are valid until June 30 of the following year, offering plenty of time and flexibility to decide how you'd like to use them—whether it's for membership fees, purchases at the Girl Scout Shop, program registration fees, or camp!

To use your Activity Credits for program, event, or camp registration fees, mail the physical credits along with a completed payment form to Girl Scouts of Utah (GSU). *Because these credits are treated like cash, GSU must receive the original certificates to process your payment.*

# Get Started on Highest Awards

It's now easier than ever for Junior through Ambassador Girl Scouts to kick off their Bronze, Silver, or Gold Award. Already earned your Bronze or Silver? Great—each now counts as the prerequisite for the next! You can also complete one of the new Leadership Awards to build real-world skills and lead in the way that feels right for you. And if you've already started a Journey, keep going—you now only need to complete one (not two for the Gold Award!), and it will still count even after Journeys retire in October 2026.

## Start with a Leadership Award

[girlscouts.org/highestawards](https://girlscouts.org/highestawards)

The new Leadership Awards celebrate all the ways you lead—yourself, your team, and your community. These awards recognize and support the many ways leadership shows up. They're flexible, fun, and designed to help Junior through Ambassador Girl Scouts practice leading with confidence and purpose.

## Final Report Reminder

Graduating Girl Scouts working toward their Gold Award should submit final reports by **August 31**. Make sure to allocate extra time to complete a final interview with the committee.

Girl Scouts working toward a Bronze or Silver Award must submit their final reports by **September 30**.

## Girl Scouts Unite

**July 23-25, 2026**

This special gathering happens once every three years! Join us at the Walter E. Washington Convention Center in Washington D.C. as we celebrate the spirit, individuality, and self-confidence that make Girl Scouts shine.

Prior to Girl Scouts Unite is the 58th National Council Session (NCS) July 20–22, where National Delegates from around the country and overseas gather to vote on and discuss issues important to our Movement, and elect leaders for the next triennium.

After NCS, thousands more Girl Scouts (and alums, families, and non-members) stream into town for a multi-day event featuring interactive workshops, inspiring speakers, and once-in-a-lifetime adventures that spark forever friendships.

Check GSUSA's website for information on workshops, speakers, and other exciting events.

**Attending Girl Scouts Unite with your troop?** Make sure you complete your trip application and check all travel requirements on the travel page of our website.
