

## 2020 February Expedition IMPACT REPORT

# Goats, Chickens, and Clothes

## STUDENT GIFTS

The first 70 chickens were given to the students at the Kality Center. With the success of the fundraiser, there's enough to purchase that many again, and distribute to other locations.

Gindo, Guelele, and Alemgena received 2 goats each to be used for student meals. Halecu received 5 goats as part of a small livestock business initiative for families. As with the chickens, these were just the first, with many more goat deliveries to be made in the future!

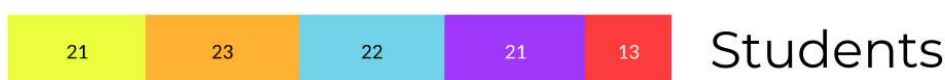

Guelele, Gindo, and Kirkos students all received new jeans and shirts, and Guelele also got new shoes. That's 150 new outfits, and 50 new pairs of shoes!

## MEDICAL & DENTAL

Skilled Volunteers can offer needed services that otherwise students and their guardians have little or no access to

Medicals  
Dentals

# SPECIAL ACTIVITIES

Spending time with the students is definitely the highlight of every trip, for us and for them. So we try to have something special with every group whenever we visit.

Some activities were prepared by expedition members for the students, such as games, giving out gifts, and home visits. Others were prepared by the students as a special event for their foreign visitors.

- Hearing Aid donation and fitting
- Special student led presentations by Kirkos
- Soccer Jersey donation for Soccer Clubs at the centers
- Home Renovation for student family

- Historic Tour of Gondar
- 13 Home Visits at Kirkos, Guelele, and Kality
- New Computer equipment for Computer Lab in Guelele, and technology upgrade for Computer Lab at Alemgena

# SCHOLARSHIP AWARDS NIGHT

We held a Scholarship Student Appreciation Night, and invited all the students who are currently enrolled in the Scholarship Program (technical, vocational, and post-secondary school students) join us for an evening of fun and socialization.

During the event, we presented this year's Manji-Burkhardt Awards to the winners of the scholarship. Two students received cash scholarships, and two others were given new laptop computers to use for their school work. This annual scholarship honours some of our best and most hardworking students.

## TOTAL VOLUNTEER INVOLVEMENT

visits to students' homes
