Speedminton is very easy to learn and within a few hits, you'll get the hang of it and be rallying in no time!

Speedminton

Speedminton combines parts of tennis, badminton and squash. The game is very easy to set up and there is no net required; the court is composed of two 5.5 x 5.5 m squares with a distance of 12.8 m in between. The Speeder® (name of the birdies) is designed for indoor and outdoor play. It was designed shorter, heavier, and narrower than the shuttlecocks used in traditional badminton. It flies stable in wind, is water resistant and can even glow in the dark if loaded with a Speedlight.

*Get active
this summer!*

Yard Games

Also offered are yard games including volleyball, washer toss, bean bag toss, pickleball nets and racquets and tennis racquets.

See you out there!
