# HERO CLUB REPORT

If you're part of the We Love Doggos community, you've probably caught wind of The Hero Club – our fantastic action-driven community constantly making an impact to help our furry companions.

The Hero Club was born to bring you, our wonderful community members, into the dog rescue world. We combine our time and resources to support our charity partners, facilitate dog transports, cover veterinary bills, and engage in many more impactful initiatives.

This active, dynamic group “chats” every day in the We Love Doggos Charity Facebook Group. Members also get the inside scoop weekly through our Hero Club Happenings email. It's a treasure trove of rescue stories, ongoing projects, and update on all the exciting happenings.

# 2023 Charity Partner of the Year, The Animal Pad!

Located in San Diego, CA, this heart-driven organization racked up some truly incredible stats last year.

But it's not just the stats that set them apart. It is the level of determination, love and commitment that Lauren and her all-volunteer staff display on a daily basis.

Time after time they say "YES" to a downtrodden dog when everybody else says "NO".

They are constantly underfunded and overwhelmed by what can best be described as a "dog rescue epidemic", yet somehow they find a way to survive and rescue another dog, and another one and another one.

We wanted to pick one story that best illustrates their "never give up" attitude. It's this one, about a sad, sorry, broken, thrown away dog stuck at a kill shelter facing grave circumstances with only ONE way out, The Animal Pad.

He is known simply as "Case A5604627".

How much do we love The Animal Pad? The We Love Doggos Charity just committed to funding and attending TWO additional Mexico vaccination missions in 2024 (500+ dogs total) as well as a monthly stipend to be used for medical expenses and sponsorships of several The Animal Pad fund-raising events.

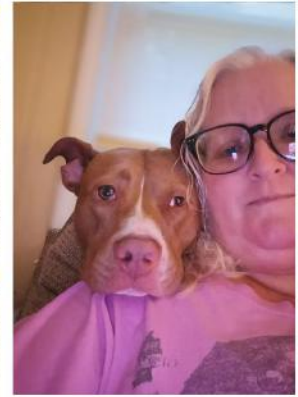

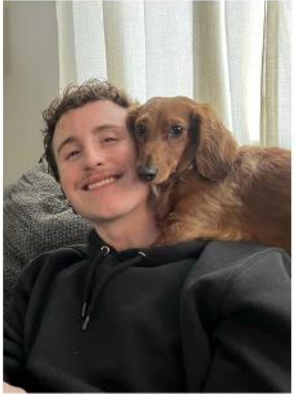

We can't think of a better way to share our resources than with an organization so fully committed to making the world a better place for dogs.

Want to see something truly amazing? Check out the footage from our last Mexico vaccination mission and the Animal Pad Instagram.
