DECEMBER & JANUARY NEWS LETTER 2024-25

Experienced The Taste of European Folklore

PRINCIPAL MESSAGE

Mrs. Suma S. Rao.
CBSE Principal

Dear Parents,

The past two months have been filled with vibrant cultural and academic events that enriched our school community. We began with a mesmerizing performance of Eastern European folk melodies by Team Tzeitel, bringing music to life with energy and enthusiasm. Our students also participated in special assemblies that raised awareness about significant days such as National Mathematics Day, Christmas, Sankranti, and Soil Day.

Three major events brought students, parents, and teachers together in a remarkable way. The Grand School Exhibition Themed "Re-energise-Energy Evolution" was a proud moment, graced by eminent IISc professor Dr. Praveen C. Ramamurthy, adding immense value to the event. The Parent Sports Day provided a wonderful platform for parents to interact and exchange ideas, making it a great success. The Junior Sports Day was a colorful and joyful celebration of our young athletes' enthusiasm and spirit.

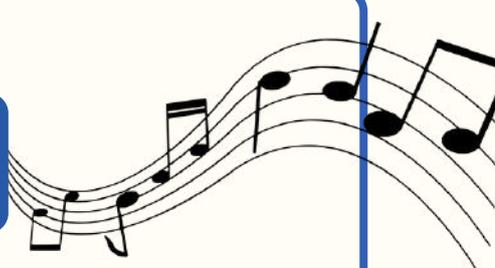

This period was also marked by prestigious awards and achievements, bringing laurels to Soundarya School and adding yet another feather to our cap. Meanwhile, our Grade X students created lifelong memories during their excursion to Dandeli and Yana, making it an unforgettable experience.

As we step into the next phase of the academic year, we look forward to more learning, growth, and celebrations together!

Warm regards,
Suma S Rao
Principal

A Cultural Symphony – Music That Crossed Borders!

Soundarya School experienced pure magic as Team Tzeitel's Eastern European folk melodies created a harmony that transcended boundaries. A day to remember!

The campus came alive with music, creating an ambience filled with passion, energy, and cultural heritage, leaving an indelible mark on everyone present. Truly, a celebration of the universal language of music!

Parents Sports League

We are delighted to share Soundarya School - CBSE hosted the first edition of the Parents Sports League on December 15 2024, and it was a grand success. It was hosted for parents of grade pre kg to grade 3, and parents participation was overwhelming and the ambience was filled with cheers, laughter and enthusiasm. The event was graced by SET Director Pratiksha Keerthan Kumar and Principal Mrs. Suma Rao. Mothers were overjoyed as they participated in the game of Throwball and Fathers in the game of cricket. Parents spent quality time and developed bonds with other parents present on the occasion. It was a collaborative, cooperative and community-oriented event!!!!

Cultural Crest : A Glorious Annual Sports Meet

The much-awaited Cultural Crest—the school’s Annual Sports Meet—was a grand celebration of sportsmanship, creativity, and artistic expression. Held on 22nd December 2024, the event showcased not only athletic excellence but also the vibrant cultural spirit of our school. The event was graced by International Athlete Ms. Likitha, distinguished members of the Soundarya Group of Management, Principals and other dignitaries. The opening ceremony was a dazzling display of colors, featuring a march-past by the various school houses, followed by a series of performances that set the tone for the day. The stage came alive with a captivating array of dances and performances, highlighting the rich cultural diversity of our school community.

National Mathematics day

It is observed on 22 December every year to mark the birth anniversary of legendary Indian Mathematician, Srinivasa Ramanujan. The day recognizes and celebrates his works. On this day, the genius mathematician Srinivasa Ramanujan was born in 1887 Erode in the state of Tamil Nadu. In our school National Mathematics day was celebrated as part Special Assembly presentation. Students spoke on the occasion and role of mathematics in everyday life and roleplay was presented by students emphasising the inter-relatedness of mathematics with all other branches of study. The main objective behind the celebration is to raise awareness among people about the importance of mathematics for the development of humanity.

Our Little Toddlers Celebrated the Birth of Christ !

The room was filled with joy and laughter as they gathered around the beautiful crib, their eyes twinkling with wonder and excitement! Dressed in the festive tricolors of red, white, and green, these little angels rejoice in the spirit of Christmas, singing, dancing, and spreading love, joy and peace singing jingle bell all the way!

Annual Science Exhibition 2025

The Annual Science Exhibition - "Re-energize" at Soundarya School - CBSE was successfully conducted on Saturday, 4th January 2025.

"Re-energize" was a humble attempt and our responsibility as an institution to create awareness about existing technologies and probable inventions in the near future which can be adopted by individuals and as society to make this planet Earth a better place to live. We are sharing with you glimpses of the day and we hope this attempt builds synergy between people and Mother Nature.

It was a day filled with innovation, creativity, and exploration, as students showcased their scientific talents and groundbreaking ideas. From interactive models to thought-provoking experiments, every project reflected their dedication and curiosity.

Kudos to our young scientists for their outstanding efforts and for making the event a grand success!

Students Trip – 2024

The end of year 2024 particularly last week of December was adventurous, spritual and tryst with nature for students of class 10, as they visited Dandeli, Yana and Murudeshwar as part of trip itinerery.It was an encompassing experience as students enjoyed amidst nature be it experience with crocodile park and supa dam in Dandeli or walking through karst limestone caves in Yana.The pinnacle point of their journey was visit to Murudeshwar, enjoy the serene weather and waves of the beach. It was an opportunity for the students to open themselves to new experiences,people and also to weave the new memories.

Soil: The Foundation of Life!

Soundarya School-CBSE observed World Soil Day with Grade 4 students taking the lead. Their insightful presentation reminded us that soil is more than dirt—it's the bedrock of life. Their call to conserve soil for a sustainable future inspired everyone present.

Healthy soil, healthy future—let's make it happen!

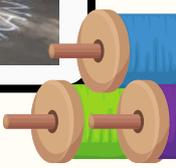

A Harvest of Joy & Learning!

On 15th January 2025, the campus of Soundarya School - CBSE, Havanoor Extension, came alive with the vibrant celebrations of Makara Sankranti. The event beautifully showcased the essence of this festival, blending its cultural richness with scientific significance.

Our amazing Grade 7 students brought the festival to life with a soulful folk song, reminding us all of the harvest's true value in our lives.

Let's carry forward the spirit of gratitude, tradition, and new beginnings!

Honouring the Legacy of Netaji Subhas Chandra Bose!

On Subhas Chandra Bose Jayanti, our talented Grade 9 students brought his inspiring story to life. Through a powerful role play, they celebrated his courage and unwavering fight for freedom.

The event was a reminder of Netaji's relentless dedication to India's independence and his iconic call:

"Give me blood, and I shall give you freedom."

A big salute to our talented students for bringing history alive and celebrating the legacy of this extraordinary leader.

Pre-KG Traffic Signal Learning on the Move

Our PreKG students had an exciting day exploring the world of land transport! Through a fun and interactive Traffic Signal Activity, they discovered how vehicles move on the road and why following traffic rules is important. With colorful signals, toy vehicles, and role-play, they learned about stopping at red, slowing down at yellow, and going at green. This hands-on experience helped them understand road safety in a playful way, making learning both engaging and meaningful!

Republic Day Celebration

The Republic Day celebration at Soundarya School -CBSE was an event filled with enthusiasm, patriotism, and joy. The day began with the hoisting of tri-color by SET Director Mr Varun kumar in the prescence of MD Mrs Sunita Manajappa, SET Director Mrs Nishmitha Varun Kumar, principal state Board Mrs Chinnamma Kaverappa, Principal CBSE Mrs. Suma Rao , PU Principal Mr .Mahabaleshwar Tunga followed by the singing of the national anthem by all students and staff present. The event was a beautiful display of unity, as every individual stood in pride and respect for the nation.

Festivals of India

Our LKG children displayed a lively expression to showcase India's rich heritage! In this activity, participants chose an Indian festival, dressed in its traditional attire, and proudly held up a placard and accessories displaying the festival theme. This engaging showcase offers a fun way to explore the diverse traditions and cultural stories behind each festival, fostering learning and community spirit.

Creating Future Leaders!

Soundarya School - CBSE in an attempt to encourage leadership qualities among students has implemented Model United Nations Program. It provides a platform for students to explore the world of diplomacy, geopolitical issues and strategic decision making. MUN conducts moot sessions where students represent various countries of the world and discuss issues plaguing the region and initiate ways to resolve the conflict. As part of this program, students visited Vydehi School in Whitefield to be a part of the MUN competition and also secured a prize.

Little Hands, Big Growth!

A special patch of earth was allocated for our LKG students to explore the wonders of germination. With excitement and care, they watered the seeds and nurtured them daily, watching in awe as tiny sprouts emerged and grew into healthy saplings. This hands-on experience not only deepened their understanding of plant life but also instilled in them a sense of responsibility and patience. Through this activity, our little learners discovered the joy of growth—both in nature and within themselves!

★ Stars of the week ★

Each week, students were awarded stars for demonstrating excellent behavior, effective communication skills, adherence to rules, academic discipline, and respectful conduct.

They will henceforth be given duties to be leaders to administrators discipline in the corridor and in the classrooms.
