At Niko International we are:

  - Working with a variety of fabric and fabric blends with a focus on natural fabrics and fabric dyes. We love working with all types of cotton – Tanguí, Pima, organic, as well as wool – alpaca, baby alpaca, sheep, including fabric mixes.
  - Using various techniques, from knitting to weaving and printing. A significant part of our production relies on artisans and artisanal techniques.
  - Designing and manufacturing clothing and accessories for children and adults, children’s toys and home decor items.
- Headquartered in Peru, where our production capabilities are located, but serving international clients..
- Committed to high quality and fair-trade practices in manufacturing, as evidenced from our memberships with the World Fair Trade Organization and NEST Artisan’s Guild.
