MESSAGE FROM THE PRESIDENT/CEO & BOARD CHAIR

Every day, the Walker County Chamber of Commerce works to connect people, ideas, and opportunity. Our sponsors make that mission possible. Your investment strengthens the local economy, supports small business growth, and helps create a thriving community where business and quality of life go hand in hand.

From the Annual Gala to Fair on the Square and our Business Luncheons, each sponsorship is more than an advertisement, it's an opportunity to build relationships, celebrate progress, and demonstrate your commitment to Walker County's future.

Whether you've been a long-time partner or are considering your first sponsorship, we're honored to walk alongside you. Together, we can continue to build a stronger, more connected business community.

Jason Brandolini

President & CEO

As we head into 2026, I'm encouraged by the strong sense of community and collaboration that defines Walker County. Our Chamber continues to move forward because of businesses like yours, businesses that show up, get involved, and invest in the growth of our region.

Sponsorship is one of the most impactful ways to support that work. Your partnership helps us host events people look forward to, create opportunities for local businesses, and strengthen the programs that keep our community thriving.

Thank you for being part of the mission. I'm grateful for your support and excited about what we'll build together in the year ahead.
